By checking this box I verify that the client understands and agrees that, in connection with this application for insurance, the hazard insurer shown above may review client's credit report or obtain or use a credit-based insurance score based on the information contained in that credit report, and that the hazard insurer may use a third party in connection with the development of client's insurance score. I am also verifying that I have obtained authorization from the client to send personal information to a third-party to get an insurance quote.
