Loan Officer Workflow

This section is intended to help loan officers navigate through Path and to walk them through the most common tasks in a typical LO workflow.

In Path, there are two common ways of generating new loan: 1) creating a new loan via the **New Loan** button or 2) importing a new loan from Zip.

Note: The loan officer can enter information on the Quote screen, from which the data will flow to the appropriate sections within the main screens listed below in [Figure 1: New loan by manual entry](#).

1. New loan > Manual Entry Overview

Figure 1: New loan by manual entry

The screenshot shows the Path Loans interface. At the top, there are tabs for 'Pipeline' and 'Help'. Below that are 'Desk' and 'Cabinet' tabs. A search bar is present. The main area displays a table of loan records with columns: Loan Number, Borrower, Subject Property, App Date, Loan Status, Compliance Status, LE Due Date, Initial LE Disclosure, Appraisal Received, Lock Exp. Date, Loan Amount, and Note Rate. The 'New Loan' button is highlighted with a red box and a red arrow points to it. A red callout box contains the following text:

If a manual application is being entered, Loan officer will complete the following screens within Path:

- 1) Borrower
- 2) Property
- 3) Product and Pricing
- 4) Closing Costs
- 5) Transactions

To manually create a new loan in Path:

1. Go to **Loans > Pipeline**.
2. Click **New Loan** button.
3. Respond to the lightbox(es) and prompt(s).
4. Complete all applicable loan information for the **Borrower, Property, Product & Pricing, Closing Costs, and Transactions** screens.

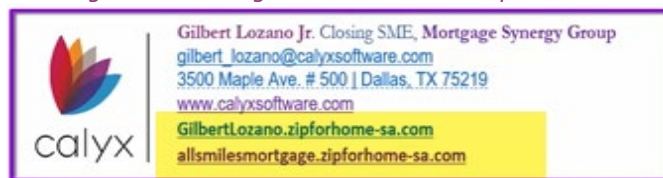

2. New Loan > Zip Import Overview

I. Zip Application Process

Zip is a point-of-sale system, which imports loan applications into Path, to be further processed and closed. Via the loan officer's own Zip account/website, borrowers apply for loan applications, and upon completion, the loan applications are imported into Path.

For example, shown below is a loan officer's email signature, containing links to two Zip websites; one leads to the loan officer's own Zip site and the other to the company's main Zip site.

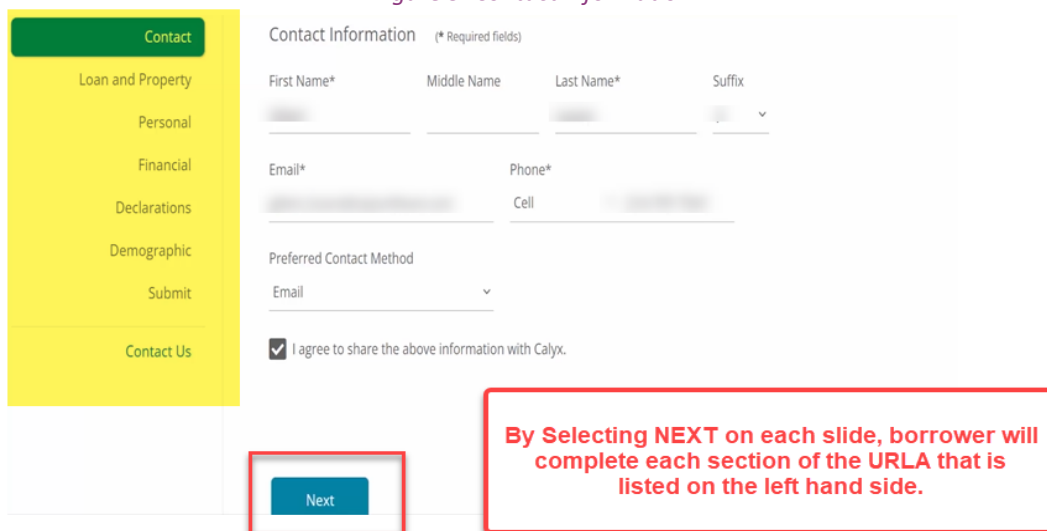

Figure 2: Email signature with links to Zip websites

When the borrower clicks on either link, they are led to the Zip landing page of either the loan officer or the company, both of which feature the **Get Started** button.

Clicking the button leads the borrower to initiate the loan application, where they are prompted to enter loan, property, personal, financial, demographics, and other information.

Figure 3: Contact information

Loan Officer Workflow

Figure 4: Personal information

What is your social security number or taxpayer identification number?

I authorize Calyx to obtain a consumer credit report on Gilbert L. Zano

999-99-****

What is your date of birth?

November / 29 / 1974

What is your citizenship?

US Citizen

What is your marital status?

**FYI:
ZIP application will NOT order credit report. Borrower will have option to proceed without inputting SSN for quote**

Figure 5: Submit section

To expedite your application's processing, upload any of the following documents now. If you do not have any, click Next.

File types supported: PDF, JPG, GIF, PNG

Government-issued ID
Note: Driver's License, ID Card, Passport.

Upload

Borrower will also have option to upload documents securely through ZIP

After completing all sections of the application, the borrower is prompted to create a Zip account, where they can track their loan and upload documents requested by the loan officer.

After the borrower has completed the application in Zip, the loan officer receives an email notification about the new application, confirming that **Pipeline** has received a new loan. If the borrower does not complete the

Loan Officer Workflow

application but chooses to **Save and Continue Later** (via the **Save and Continue Later** option shown in *Figure 5: Submit section*), the LO will also receive an email notification about a pending application that requires further action from the borrower.

Figure 7: Email notification to LO

The new loan application is listed in **Pipeline**.

II. Loan Arrives from Zip

Figure 9: Quote screen with information from Zip

The screenshot shows the 'Quote' screen for loan STAG2090100001. The 'Quote' tab is highlighted in the top navigation bar. A red box highlights the 'Quote' tab and contains the text: "Zip info will populate into Quote Screen in which LO will be allowed to review input and enter any missing fields." The form displays borrower information for Gilbert Lozano, Jr. with fields for Personal Information, Current Address, and Contact Information. At the bottom, there are buttons for Mortgage Insurance, Save, Delete, Credit, and Programs.

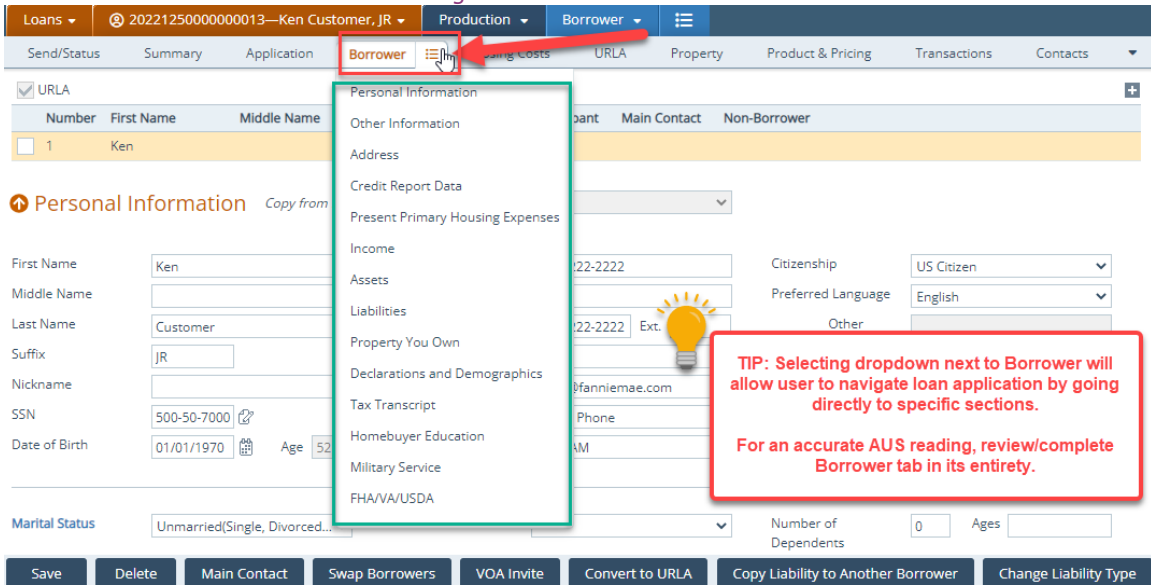

The loan officer can choose to order a credit report and/or mortgage insurance from the **Quote** screen. Credit and MI can also be ordered from **Interfaces > Credit** and **Interfaces > Mortgage Insurance**, respectively.

Figure 10: Credit order from Quote screen

The screenshot shows the 'Credit Order' dialog box. The dialog displays borrower information for Raina Negron and order information including Credit Agency (MeridianLink, Inc. - Soft Pull), Credit Type (Credit Report), and Request Type (Order New Report). A red box highlights the 'Credit Type' and 'Request Type' fields with the text: "FYI: Credit/MI can also be ordered through Interfaces". The dialog has an 'Order' button at the bottom. In the background, the 'Quote' screen is visible with buttons for Mortgage Insurance, Save, Delete, Credit, and Programs.

Once the borrower agrees to have their credit pulled, the LO can begin the application process. All information from the **Quote** screen is populated into the **Production > Borrower** screen. The LO then completes the rest of the **Borrower** screen to complete the loan application.

Figure 11: Borrower screen

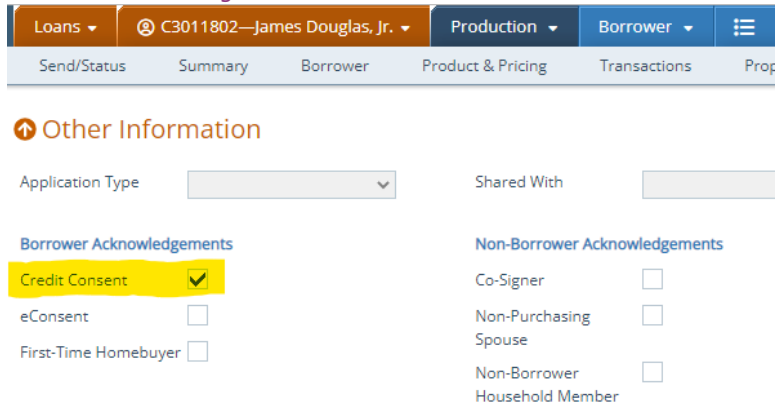

3. Credit Report and Borrower Screen

After the new loan has been created or imported, the loan officer pulls the borrower’s credit.

*Note: Before ordering the credit report, ensure that the **Credit Consent** checkbox is selected on the **Production > Borrower > Other Information** section.*

Figure 12: Credit Consent checkbox

To order a credit report:

1. Go to **Interfaces > Credit > Order** tab.

Loan Officer Workflow

Review for accuracy

Submit

Loan Officer Workflow

- Once the **Credit Report Request** lightbox appears, review the data for accuracy and click **Submit**. Once credit has been pulled, you will be able to import information into Path.

Figure 15: Importing credit information into Path

The screenshot shows the 'Suzi Builder Credit' interface. At the top, there are two tables: 'Liabilities Excluded from Import' and 'Liabilities to Import'. The 'Liabilities to Import' table contains two rows of data:

Status	Creditor	Type	Balance	Payment
Open	ACE MORTGAGE	Mortgage	\$ 98,514.03	\$ 746.07
Open	BEST MORTGAGE	Mortgage	\$ 22,754.08	\$ 233.29

Below these tables are buttons for 'Ignore \$0 Balance' and 'Ignore Closed'. A red box highlights the text: 'User will have ability to import all liabilities or Select line by line'. At the bottom, there are buttons for 'View Report', 'Import All' (highlighted with a red arrow), 'Import Credit Scores', 'Import Liabilities', and 'Do Not Import'. The 'Borrower' section shows credit scores for Equifax (620), Experian (650), and TransUnion (639).

- Click **Import All**. The pulled credit will populate the following sections within Path:

 - Legal Description: SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF

TIP: IF this is a Purchase transaction and a Purchase Contract is available, you may enter information however this is not required to run AUS.

5. Product & Pricing Screen

After completing the **Property** screen, the loan officer moves to the **Product & Pricing** screen to complete all applicable sections and fields.

1. Go to **Production > Product & Pricing** screen.

Figure 24: Product & Pricing screen

The screenshot shows the 'Product & Pricing' screen for a loan. The top navigation bar includes 'Loans', '2022125000000013—Ken Customer, JR', 'Production', and 'Product & Pricing'. Below the navigation bar are tabs for 'Send/Status', 'Summary', 'Application', 'Borrower', 'Closing Costs', 'URLA', 'Property', 'Product & Pricing', 'Transactions', and 'Contacts'. The main content area is divided into three sections:

- Loan Information:** Contains fields for Occupancy (Primary Residence), Lien Position (First), Loan Purpose (Purchase), Refinance Type, Loan Type (Conventional), Amortization Type (Fixed), Sales Price, Estimated Property Value (\$340,000.00), Appraised Value (\$340,000.00), Base Loan Amount (\$300,000.00), Total Loan Amount (\$305,250.00), Note Rate (0.000%), Loan Term/Due In (months) (360), Monthly P&I (\$847.92), Down Payment, UPMIP/FF Financed (\$5,250.00), and Borrower Financed Fees.
- Product Information:** Contains fields for Loan Program, Loan Group, Product Code, Program Name, Product Type (Standard Products), and Documentation Program Type (Full). A red box highlights the Loan Program field with the text 'User will select dropdowns based on Loan Program selected'.
- Lock:** Contains fields for Lock Status (Not Locked), Lock Expiration Date, Lock Period, Extension Period, and Lock Request Date.

At the bottom of the screen, there are buttons for 'Save', 'Pricing', 'Programs', and 'Copy from Link Loan'. A red arrow points to the 'Programs' button.

2. Click the **Programs** button to open the **Loan Program** lightbox and select a loan program for the loan. After a loan program is selected, it is populated in the **Product Information** section > **Loan Program** field.
3. Complete the rest of the applicable fields in the **Loan Information** and **Product Information** sections.
4. Review/complete the applicable fields in the **Mortgage Insurance** section.

7. Transactions Screen

After ordering **Mortgage Insurance**, the loan officer moves to the **Transaction** screen.

1. Go to **Production > Transactions** screen.

Figure 33: Transactions screen

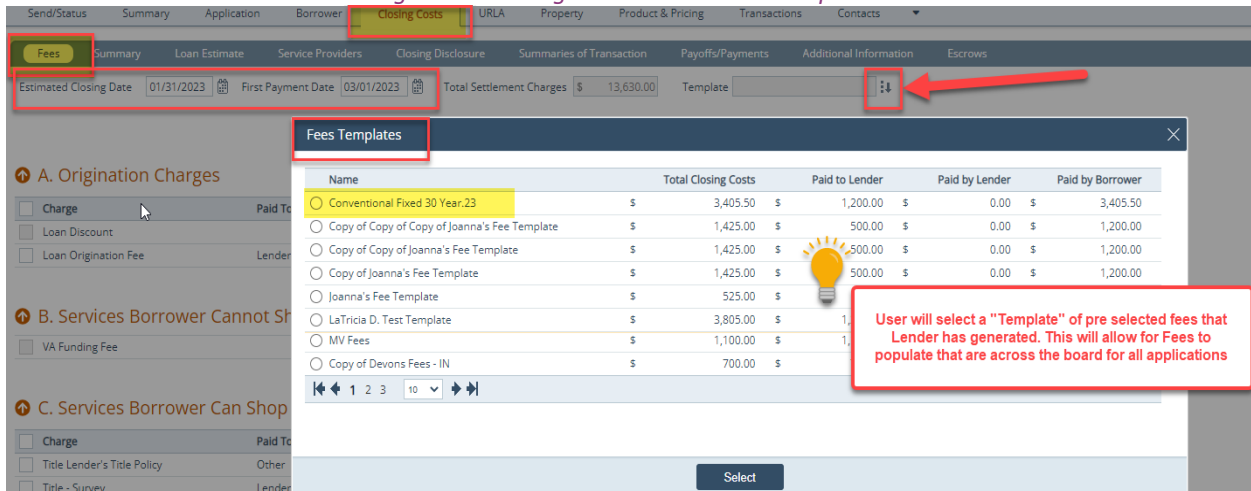

2. Review/complete the applicable date fields in **the Reference Dates** section.
3. In the **Proposed Monthly Payment** section, click the edit icon (🔗) to make the necessary changes to **Homeowners Insurance, Supplemental Property Insurance, Property Taxes, Mortgage Insurance, and Other.**
4. Complete the rest of the applicable sections and fields.

8. Closing Costs > Fees

After completing the **Transactions** screen, the loan officer moves to **Closing Cost** screen > **Fees** tab. Here, the LO can add fees and adjust prepaids to provide the borrower with an initial loan estimate.

1. Go to **Production > Closing Costs > Fees** tab.
2. To use a fee template, click the select icon (⌵) corresponding to the **Template** field (at the top right corner of the tab), to opens the corresponding lightbox.
 - A. After the lightbox opens, select a fee template, as shown below in Figure 34: Closing Costs > Fees > Fee Templates.

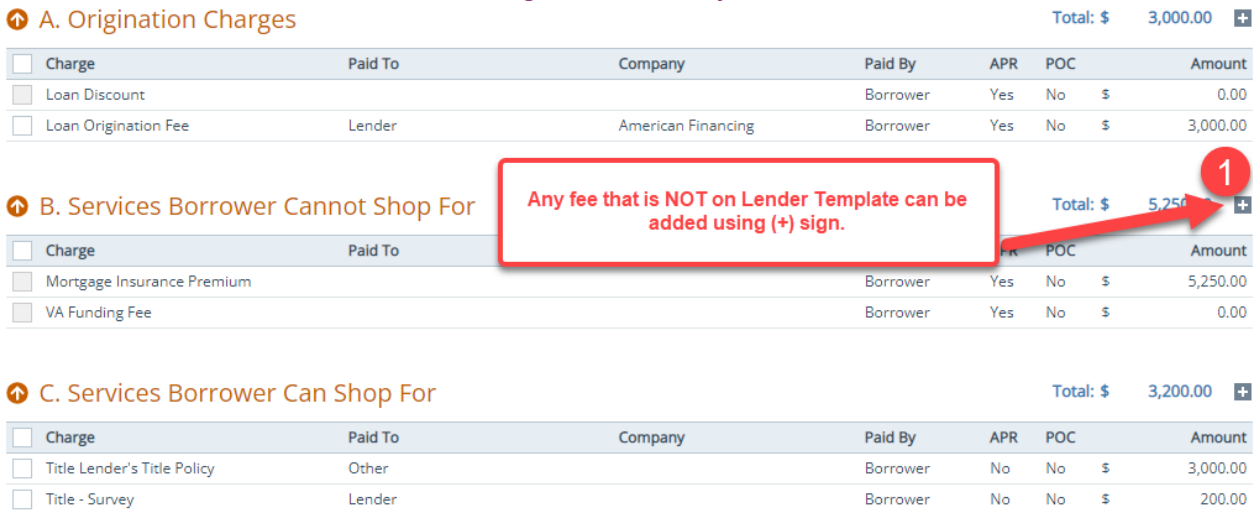

Figure 34: Closing Costs > Fees > Fee Templates

B. After a fee template is selected, the fees are populated into their corresponding sections.

- To add a fee that is not part of a template, click the add icon (+) corresponding to the appropriate section (at the top right corner of each section) to open its corresponding fee lightbox.

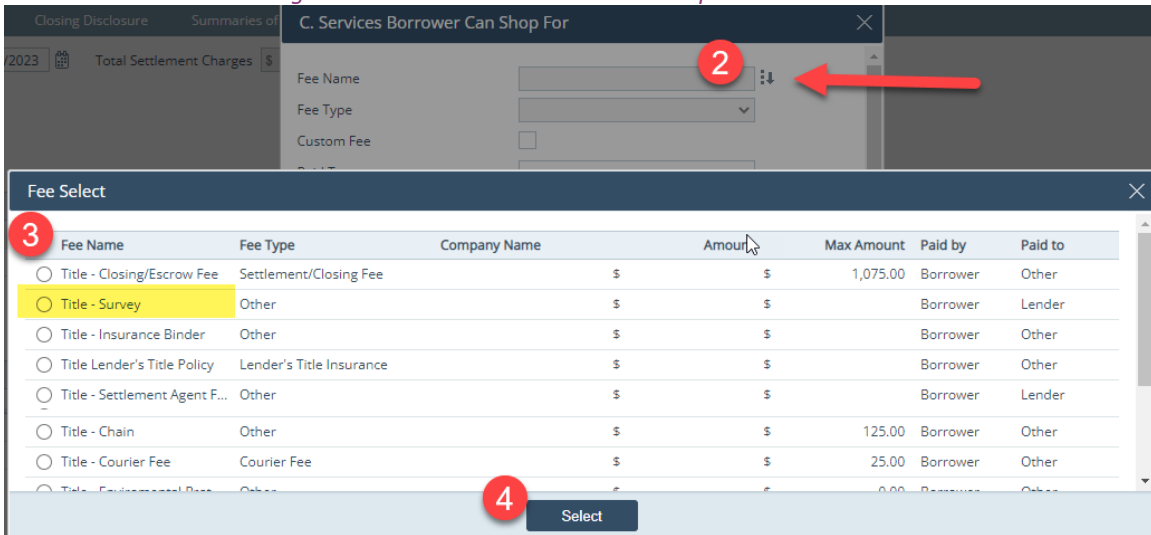

Figure 35: Add new fee

Note: In the following example C. Services Borrower Can Shop For is used.

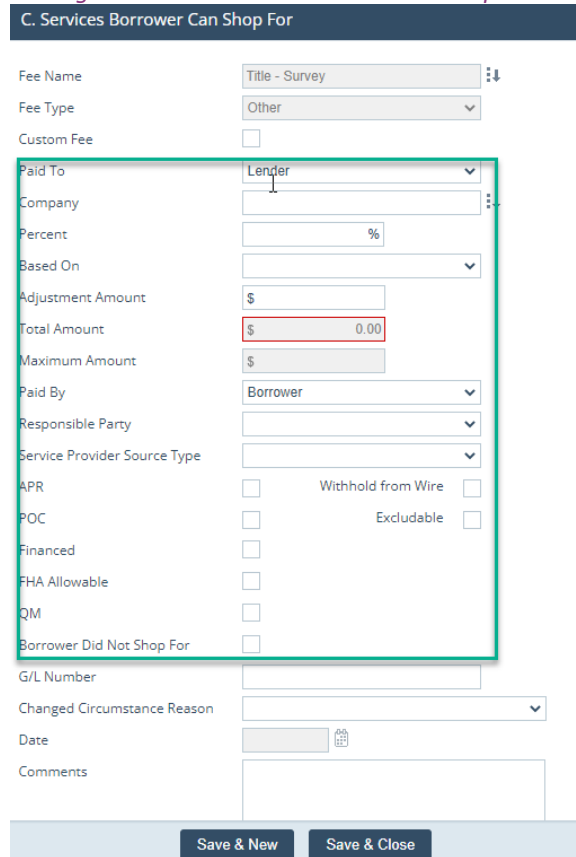

- In the C. Services Borrower Can Shop For lightbox, click the select icon (⌵) of the Fee Name field to open the Fee Select lightbox. Select a fee and click Select.

Figure 36: C. Services Borrower Can Shop For > Fee Select

- B. To enter a custom fee that is not listed in the **Fee Select** lightbox, select the **Custom Fee** checkbox and enter the **Fee Name**.
- C. After a fee is selected or a custom fee entered, complete the rest of the fields and click the applicable **Save** button, highlight below in *Figure 37: C. Services Borrower Can Shop For*.

Figure 37: C. Services Borrower Can Shop For

Loan Officer Workflow

- Users can set up **F. Prepays** and **G. Initial Escrow Payment at Closing** accounts in the respective sections show below in *Figure 38: F. Prepays and G. Initial Escrow Payment at Closing* and *Figure 39: Initial Escrow Payment at Closing lightbox*, such as inputting information for the company, amount, disbursement dates, cushion amount, number of months collected, etc.

NOTE: If all 6 pieces of information are provided for an application, RESPA will be triggered and the 72-hour window to disclose the initial disclosure will begin.

The 6 pieces are:

Loan Officer Workflow

- ✓ Name
- ✓ Income
- ✓ Social security number
- ✓ Property address
- ✓ Estimated value of property
- ✓ Mortgage loan amount sought

*Tip: It is highly recommended that you view the initial loan estimate within Path before the initial disclosures are sent to the borrower. To view the LE, go to **Compliance > Closing Costs > Loan Estimate > View Form** button.*

Figure 48: View Form button

The screenshot shows the Path software interface for a loan officer. The top navigation bar includes 'Loans', '2022125000000013—Ken Customer, JR', 'Compliance', and 'Closing Costs'. Below this, there are tabs for 'Send/Status', 'Closing Costs', 'Other Disclosures', 'Disclosure Dates', 'Tolerance', 'QM', 'COC Request', 'COC Confirm', and 'Custom Screen41'. The 'Closing Costs' tab is active, and within it, the 'Loan Estimate' sub-tab is selected. The main content area displays various fields for the loan estimate, including Application Date (12/15/2022), Date Issued (01/05/2023), Closing Costs Expire (02/28/2023), and Lock Expire. There are also dropdown menus for Delivery Method (Internet or Email), Time (9:00AM and 9:30AM), and Time Zone. A 'Loan Terms' section is visible below, showing details like Purpose (Purchase), Product Name (Fixed Rate), Loan Amount (\$305,250.00), Interest Rate (0.000%), Term (30 years), and Monthly Principal & Interest (\$847.92). At the bottom of the interface, there is a row of buttons: 'Save', 'Issue LE', 'Intent To Proceed Confirmed', 'Compare Fees', and 'View Form'. The 'View Form' button is highlighted with a red box and a red arrow pointing to it.

11. Interfaces > Initial Docs Disclosure

After issuing the prequalification letter, and if the loan officer is responsible for disclosing initial docs, the LO will take the following steps. Depending on the lender, this can be disclosed via Path through the preferred vendor. If there is no integration within Path for the preferred vendor, please refer to the company website.

1. Go to **Interfaces > Initial/Closing Docs** screen.

Figure 49: Initial/Closing Docs

2. Complete all required fields and click **Order**.
The disclosure is stored in the **History** section and in the **Documents** activity.

Figure 50: Disclosure in History section

Date/Time	Document Provider	Request Type	Package Type	Status	Reference Number	Message	Ordered By
03/06/2023 8:15:56 AM	DocMagic Direct	Initial Disclosures	Initial Disclosures	Success	2022125000000013		Haracely Doming...

12. Issuing an LE

Once fees have been added and the loan officer is ready to send an initial loan estimate (LE), complete the following steps.

1. Go to **Compliance > Closing Costs > Loan Estimate** tab.

Figure 51: Loan Estimate tab

Application Date 01/04/2023
 Date Issued
 Closing Costs Expire
 Lock Expire

Delivery Method

View Form

3. After reviewing the LE, click on **View Form** button to ensure that loan estimate data from the screen will print to the form correctly.

Loan Officer Workflow

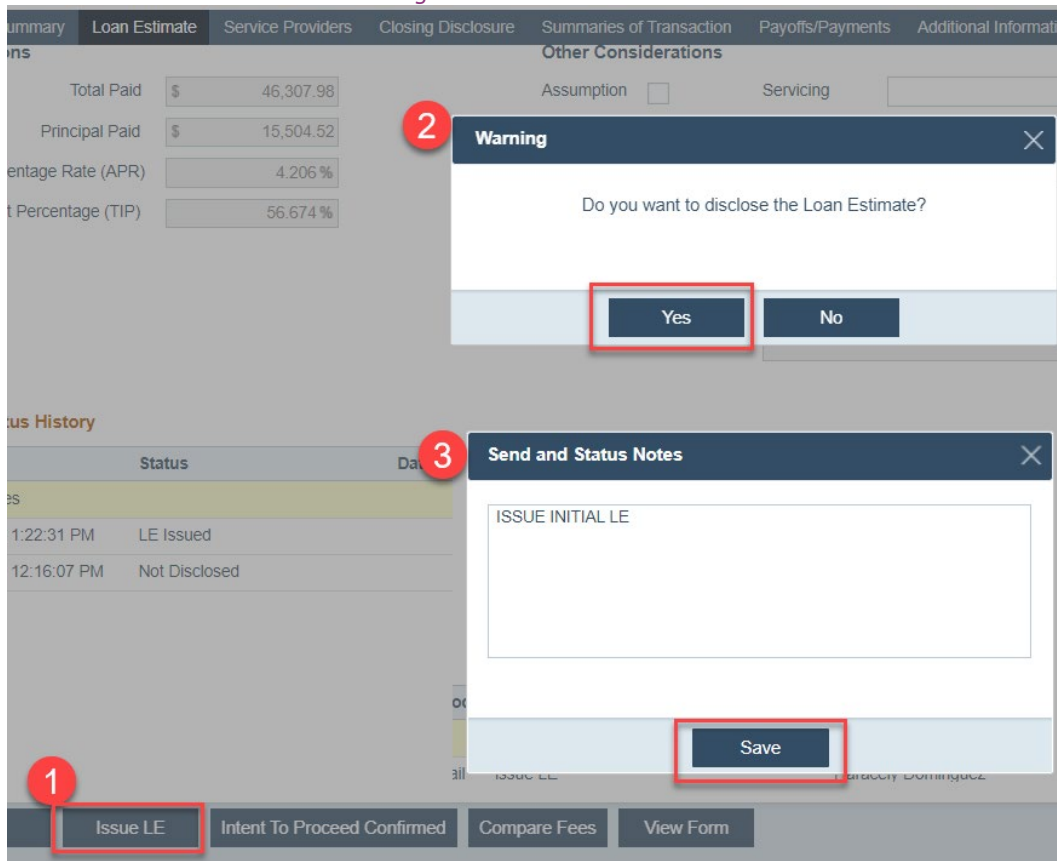

The **Form Library** lightbox appears, which has the LE preselected. You can add additional documents to review if needed.

Figure 53: Form Library

The screenshot shows the 'Form Library' lightbox interface. At the top, there is a dark blue header with the text 'Form Library'. Below the header, there are several dropdown menus for configuration: 'Borrower Group' (Alice America), 'Borrower Set' (Alice America), 'Borrower' (Alice America), 'Additional Borrower' (empty), and 'Form Library' (Standard Forms). Below these is a search bar with a magnifying glass icon. The main area is divided into two columns: 'Available' and 'Selected'. The 'Available' column contains a list of form names, including '_Amortization Schedule_Test', '_TEST03', '_Test0616', '_testCSVBlankForm', '0528sunu', '0608sunu', '4506-C Old App', '4506-C__Form 1040_2022, 2021, 2020', '4506-T Request for Transcript of Tax Return', '8821 Tax Information Authorization', 'Affidavit of Same Name and Common Identity', and 'Alternative Documentation Checklist'. The 'Selected' column contains a single item, 'Loan Estimate', which is highlighted in yellow. Between the two columns are two arrows: a right-pointing arrow and a left-pointing arrow. At the bottom of the lightbox, there are two buttons: 'View' (highlighted in yellow) and 'Add'.

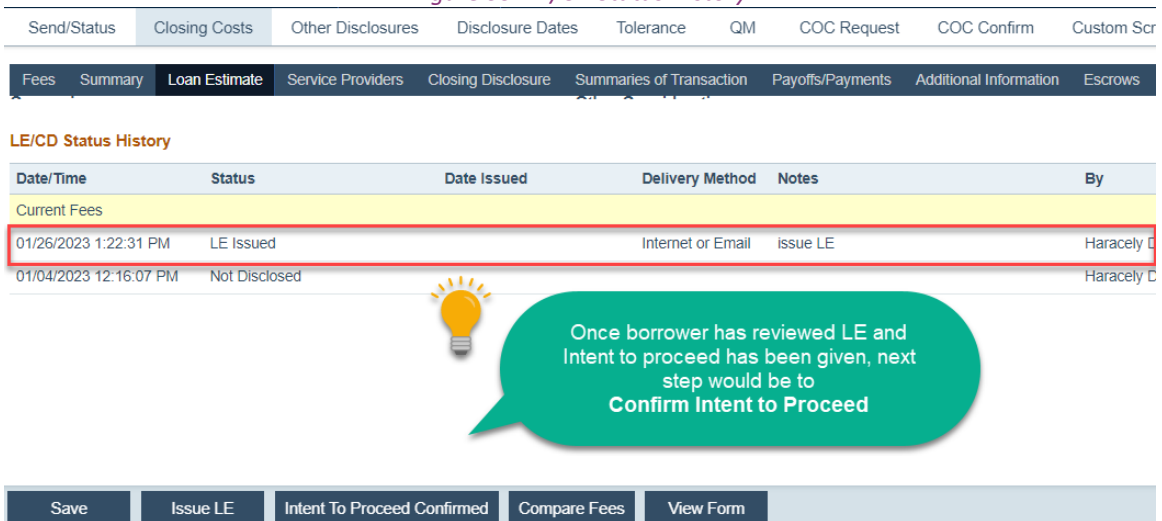

4. Click **View** to open the LE form with loan data populated.

Figure 54: Issue LE button

- After reviewing the LE form, click the **Issue LE** button and follow the prompts. Once LE has been issued, you will see a timestamp in the **LE/CD Status History** section with the status changed.

Figure 55: LE/CD Status History

 **IMPORTANT INFORMATION:**
" **ISSUE LE**" button **DOES NOT** send out an **LE** to borrower. This function simply captures LE data within Path.

Once User has completed above steps within Path, User will proceed to whichever Doc Vendor being utilized by Lender to get LE documentation out to borrower.

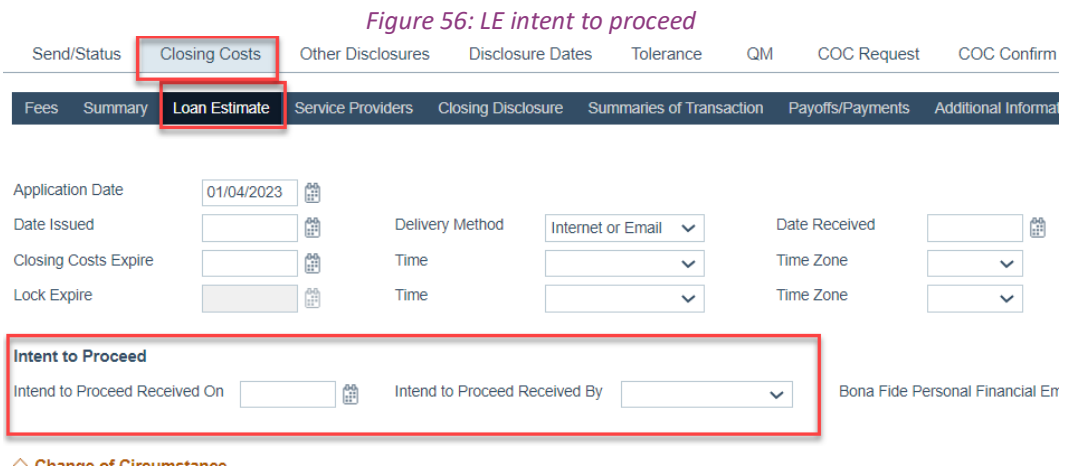

13. Intent to Proceed

After issuing the LE to the borrower, who has confirmed the intent to proceed, the loan officer completes the following steps.

To complete the intent to proceed:

1. Go to **Compliance > Closing Costs > Loan Estimate** tab.

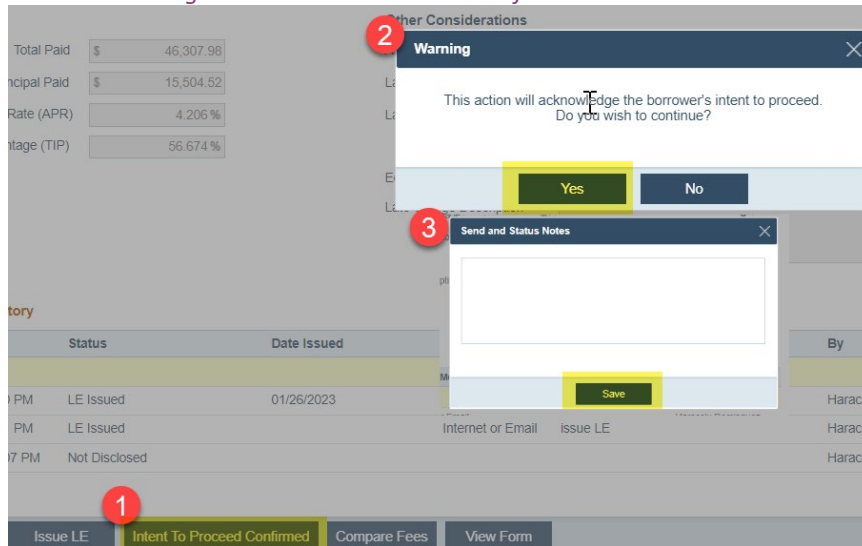

Figure 56: LE intent to proceed

The screenshot shows a web interface with a navigation bar at the top containing tabs: Send/Status, Closing Costs (highlighted with a red box), Other Disclosures, Disclosure Dates, Tolerance, QM, COC Request, and COC Confirm. Below this is a secondary navigation bar with tabs: Fees, Summary, Loan Estimate (highlighted with a red box), Service Providers, Closing Disclosure, Summaries of Transaction, Payoffs/Payments, and Additional Information. The main content area contains several input fields: Application Date (01/04/2023), Date Issued, Closing Costs Expire, Lock Expire, Delivery Method (Internet or Email), Time, and Date Received. Below these is a section titled 'Intent to Proceed' (highlighted with a red box) containing 'Intend to Proceed Received On' (input field) and 'Intend to Proceed Received By' (dropdown menu). To the right of this section is the text 'Bona Fide Personal Financial Em'. At the bottom left, there is a link labeled 'Change of Circumstances'.

2. Enter the date of the intent to proceed and select the method received.

Figure 57: Intent to Proceed Confirmed button

- Once the data has been entered, click **Intent to Proceed Confirmed** and follow the prompts. Afterwards, you will see a timestamp in the **LE/CD Status History** section with the status changed.

Figure 58: LE/CD Status History

LE/CD Status History

Date/Time	Status	Date Issued	Delivery Method	Notes	By
Current Fees					
01/26/2023 2:36:45 PM	Disclosed - Intend To Proceed	01/26/2023	Electronic		Haracely
01/26/2023 2:35:30 PM	LE Issued	01/26/2023	Internet or Email		Haracely
01/26/2023 1:22:31 PM	LE Issued		Internet or Email	issue LE	Haracely

IMPORTANT INFORMATION:

" ISSUE LE" button DOES NOT send out an LE to borrower. This function simply captures LE data within Path.

Once User has completed above steps within Path, User will proceed to whichever Doc Vendor being utilized by Lender to get LE documentation out to borrower.

Underwriter Workflow

1. Conditions

The underwriter has the ability to add conditions to a loan file, either by adding conditions from a list of pre-configured conditions or by creating new conditions.

3. Screens Useful to the Underwriter

1. **Production > Underwriting** screen.

Figure 59: Production > Underwriting screen

The screenshot shows the 'Underwriting' screen for a loan. The top navigation bar includes 'Loans', '2022125000000013—Ken Customer, JR', 'Production', and 'Underwriting'. Below this are tabs for 'Send/Status', 'Summary', 'Borrower', 'Property', 'Product & Pricing', 'Closing Costs', 'Transactions', 'Debt Consolidation', 'Loan Transmittal', and 'FHA'. The main content area is divided into several sections:

- Investor:** Fields for Investor Name, Investor Program, Investor Loan Number, and Investor Feature ID.
- Rates:** Fields for Note Rate (0.000%), Qualifying Rate (0.000%), Lock Interest Rate, and Max Approved Rate.
- Underwriting Decision:** Fields for Loan Exception Granted, Exception Description, Decision (Approved with Conditions), Decision Date (04/25/2023), By (Haracely Dominguez), and various expiration dates.
- Flood Certification:** Fields for Property in Flood Zone, Flood Zone (C), Certification Type, Company Name, Address 1, Address 2, City, State, ZIP, Phone, Contact, Title, and Email.
- Additional Tracking:** Checkboxes for Escrow Holdback Required, Final Inspection Required, Appraiser Recertification Required, Mortgage Rider Required, and input fields for days to completion for various steps.

A 'Decision History' table is located in the bottom right, showing a record for 'Approved with Conditions' on 04/25/2023 by Haracely Dominguez. A 'Decision' lightbox is open, showing a list of decision options with 'Approved' selected. A green arrow points from the 'Decision' button in the bottom left to the lightbox.

- A. Use the **Decision** lightbox to log the decisions made on the loan, which is then tracked in the **Decision History** section.
2. Use the **Summary > Underwriting** screen to review underwriting information.

Pricing > Programs and Pricing button

This section is intended to walking Path users through the most common tasks in a typical pricing workflow.

To lock a loan within Path, the pricing needs to be done first. Pricing can be done either through the **Product & Pricing** screen or **Lock > Request** screen.

Note: Best practice is to do pricing through the Product & Pricing screen and lock through Lock > Request screen.

*Note: Pricing must be done first before locking a loan. For more information on locking a loan, see **Path Hacks – Lock Workflow**.*

1. Open a loan and go to **Production > Product & Pricing** screen.

Lock Request/Confirm

This section is intended to help loan officers and lock desk users by walking them through the most common tasks in a typical lock workflow.

1. Loan Officer > Lock Request

1. After pricing is complete on **Production > Product & Pricing** screen, go to **Lock > Request** screen.

The screenshot shows the 'Lock Request' screen with the following fields and callouts:

- Callout 1:** Points to the 'Request Type' dropdown menu, which is open and showing options: Initial, Register, Relock.
- Callout 2:** Points to the 'Lock Period' dropdown menu, which is open and showing a list of values: 15, 30, 45, 60, 90, 210, 180, 21, 50, 1, 10, 360.
- Callout 3:** Points to the 'Save' button in the bottom navigation bar.
- Callout 4:** Points to the 'Lock Request' button in the bottom navigation bar.
- Center Text Box:** A red box with white text that reads: "Select your Request Type, Lock Period, and then Save. Lastly, press Lock Request".

The interface includes sections for 'Lock Request' (with fields for Request Type, Lock Expiration, Cancel Reason, Float Down Date, Lock Request Date/Time, Lock Date, Cancel Date, Lock Period, Extension Period, Float Down Option, and Lock Request Note), 'Lock Confirmation' (with fields for Lock Confirmation Date and Lock Confirmation Note), and 'Lock Price' (with fields for Loan Program, Program Group, Program Code, Starting Adjusted Rate, and Discount/Rebate at Start).

2. Select the (1) **Request Type**, the (2) **Lock Period**, the (3) **Save** button, then the (4) **Lock Request** button. The lock has officially been requested, as shown in the above image.
3. Go to **Lock > Send/Status** screen, to see that lock has been requested and the loan file has been sent from the LO to lock desk.

Lock Request/Confirm

The screenshot shows the 'Lock Request/Confirm' interface. At the top, there are navigation tabs: 'Loans', '2023054000000005—Ken N Customer, JR', 'Lock', and 'Send/Status'. Below these are sub-tabs: 'Send/Status', 'Summary', and 'Request'. The main content area is divided into three sections:

- Lock Validation:** A message stating 'All validations are satisfied.'
- Lock Send History:** A table with columns: Action Date/Time, By, Role, Sent To, and Notes. The first row shows: 05/24/2023 11:42:11 AM, Kristopher Nelson, Kris Pricing - Loan Officer, Kris Pricing - Lock Desk.
- Lock Status History:** A table with columns: Action Date/Time, By, Role, Status, and Notes. The first row shows: 05/24/2023 11:42:09 AM, Kristopher Nelson, Kris Pricing - Loan Officer, Lock Requested. The second row shows: 05/24/2023 9:56:39 AM, Kristopher Nelson, Kris Pricing - Loan Officer, Not Locked - In Process.

2. Lock Desk > Lock Confirm

Next the loan file is sent to the **Role Desk** of the lock desk user, who is tasked with confirming lock requests.

1. As the lock desk user, go to **Pipeline > Role Desk**, select the loan file's checkbox, and click the **Assign** button to assign the loan to yourself.

The screenshot shows the 'Pipeline > Role Desk' interface. The top navigation bar includes 'Loans', 'Pipeline', and 'Role Desk'. Below this are tabs: 'Desk', 'Cabinet', 'Role Desk', 'Role Cabinet', 'Active', 'Archive', and 'Inactive'. A search bar is present. The main content area displays a table with columns: Loan Number, Loan Servicer #, LO Name, OU Name, Borrower First Last Name, Subject Property Street, Loan Status, and Loan Sub. The first row is selected, and its checkbox is checked. A 'Users' dialog box is open, showing a list of users: Kristopher Nelson (selected), Marisol Vega, and Michael McPhail. The 'Assign' button is highlighted at the bottom of the dialog box.

2. Go to **Pipeline > Desk** and open the loan file to start confirming the lock request.

Optimal Blue > Pricing/Lock

This section is intended to walking Path users through the most common tasks in a typical workflow for OB pricing and lock.

1. Loan Officer > Lock Request

As a loan officer, pricing can be done either through **Production > Product & Pricing** screen or through **Lock > Request** screen. When pricing through the **Production > Product & Pricing** screen, the data is copied over to the **Lock > Request** screen.

*Note: The **OB Lock Request** button can ONLY be accessed via the **Lock > Request** screen. This button is how the loan officer submits lock requests to the Lock Desk via Optimal Blue.*

1. To price a loan via Optimal Blue, go to either the **Production > Product & Pricing** screen or the **Lock > Request** screen.
2. Click the **Pricing** button, which is located on both screens.

3. After clicking the **Pricing** button, the **Pricing Search Parameters** lightbox is opened.

Figure 69: Pricing Search Parameters lightbox > searching by rate

The screenshot shows a 'Pricing Search Parameters' lightbox with the following sections and fields:

- Pricing:** Lock Period (30), Lock Type, Search by Type (Rate), Desired Price, Desired Note Rate (6.250%), Price Result Format (Price).
- Product & Payment Information:** Amortization Type (Fixed), ARM First Adjustment, Product Type, Waive Escrow (Conforming), Interest Only (Non-Conforming), HELOC (Non-Prime).
- Mortgage Insurance:** MI Premium Paid in Cash (\$ 0.00), MI Provider, MI Premium Plan, MI Paid By, MI Coverage.
- Non-QM:** Housing Event Seasoning, Bankruptcy Seasoning, Bankruptcy Outcome, Mortgage Late 30 Days, Mortgage Late 60 Days, Mortgage Late 90 Days, Mortgage Late 120 Days.
- Loan Information:** Base Loan Amount (\$ 300,000.00), UPMIP/FF Financed/Borrower FF (\$ 0.00), Total Loan Amount (\$ 300,000.00), Purchase Price (\$ 340,000.00), Appraised Value (\$ 340,000.00), Subordinate Financing (\$ 0.00), Refinance Cash-Out Amount (\$ 0.00), Undrawn HELOC Amount (\$ 0.00), Base LTV/CLTV (88.235%), Total LTV/CLTV (88.235%), HCLTV (88.235%).
- Borrower Information:** Credit Score (675), Total Obligations (15.495%), Citizenship (US Citizen), First Time Homebuyer, Self-Employed, Community Seconds, Automatic Payment.
- VA Loan Parameters:** Veteran Type, VA First Time Use, Exempt from VA Funding Fee.
- Custom Fields:** Custom Parameters.
- Loan Type:** Conventional, Loan Purpose (Purchase), Type of Refinance, Loan Term (360), Due In (360), Lien Position (First), Property Occupancy (Primary Residence), Documentation Program Type (Full), Subject Property Gross Rent (\$ 0.00), Debt-Service Coverage Ratio (%), Underwriting Method, AUS Engine, AUS Recommendation.
- Property Information:** Number of Stories, Number of Units (1), Year Built (1965), City (Burbank), State (CA), ZIP (91502-1234), County (LOS ANGELES), Location, Property Type (Single Family Residence), Non-Warrantable Condo.

At the bottom, there are three buttons: 'Close', 'Search' (highlighted with a red box), and 'Save'.

4. Make sure to complete all required fields and dropdowns, indicated by red outlines, and complete rest of all applicable fields.

*Note: If you are searching by rate (when **Rate** is selected from the **Search by Type** dropdown), it will default to that rate regardless of the price, as shown in Figure 69: Pricing Search Parameters lightbox > searching by rate, Figure 70: Available Product lightbox > searching by rate, and Figure 71: Available Pricing lightbox > searching by rate. If you are searching by price (when **Price** is selected from the **Search by Type** dropdown), the rate will default to the closest to par (100).*

5. Click **Search** to open the **Available Products** lightbox.

8. After the lightbox closes, you are returned to either the **Production > Product & Pricing** screen or the **Lock > Request** screen.
 - A. If you are on the **Lock > Request** screen, click the **OB Lock Request** button.
 - B. If you are on the **Production > Product & Pricing** screen, go to **Lock > Request** screen and click the **OB Lock Request** button.
9. After clicking the **OB Lock Request** button, you might be prompted about a price concession, select no if prompted.

10. Then a message appears, saying the loan file still needs to be sent to the Lock Desk. Click the **Lock Request** button to move the loan file to the Lock Desk to be confirmed.

*Note: Depending on how your system is configured, the button could be named something else, such as **Request Lock** or **Send to Lock Desk**. But the underlying function is the same, which is to send a request from the **Lock > Request** screen to the **Lock > Confirm** screen (Lock Desk) to be accepted or rejected.*

11. If auto-accept is enabled for lock requests, after saving the **Lock > Request** screen, click the refresh icon () to update the **Lock Status** to **Lock Confirmed**.

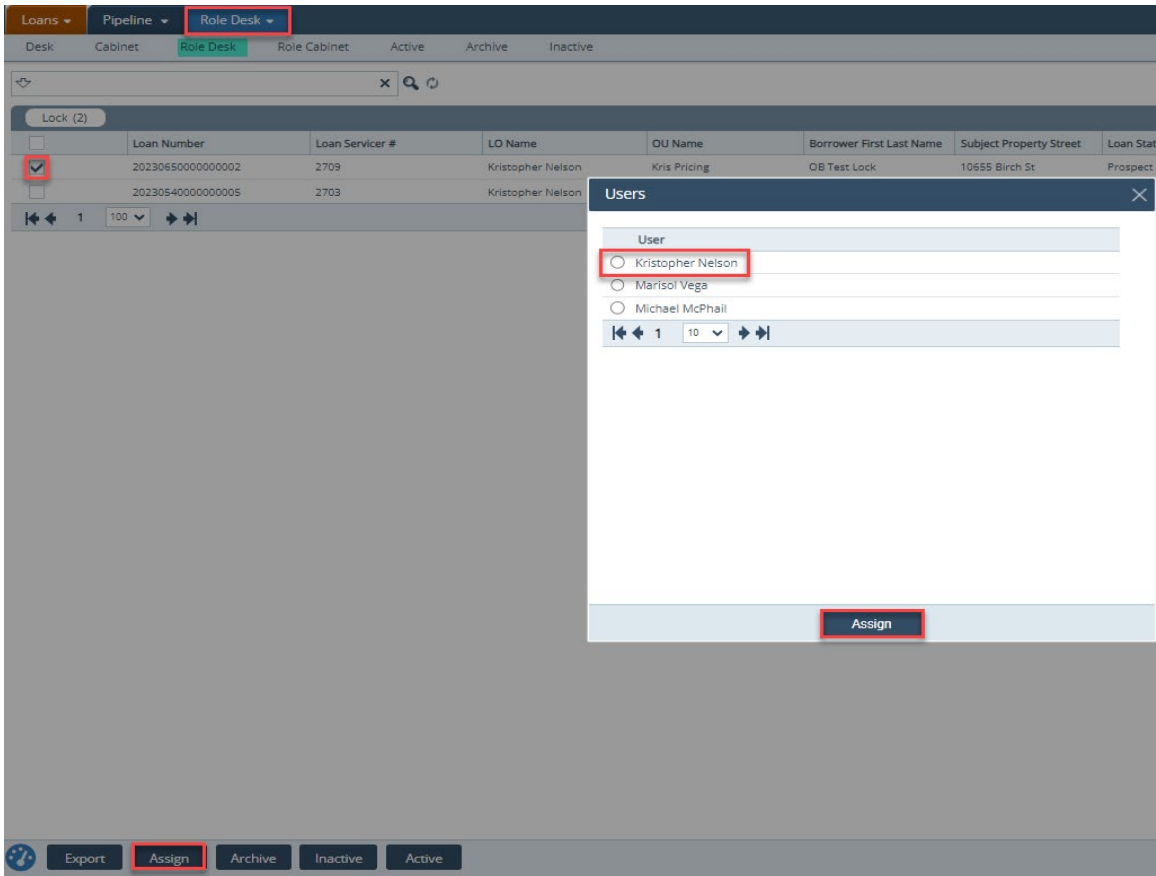

2. Lock Desk > Accept/Reject Lock Request

As the Lock Desk role, who is responsible for accepting/rejecting lock request, you will find the loan file in your **Role Desk**.

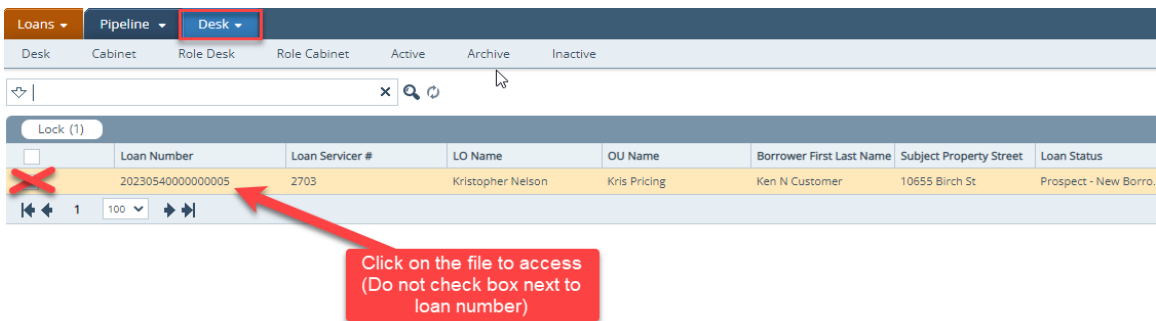

To accept or reject a lock request:

1. Select the checkbox of the loan file and click the **Assign** button to assign it to yourself.

Optimal Blue > Pricing/Lock

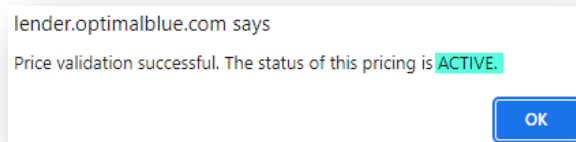

2. Next, go to your **Desk** and open the loan file.

3. Go to **Lock > Confirm** screen.

4. Click **OB Lock Desk**.
5. You are then prompted with a message confirming that pricing is active. Click **OK** to open Optimal Blue.

6. Once in Optimal Blue, click **Validate Current Pricing** to confirm pricing is active.

- After all locks are confirmed, go to the **Lock > Summary** screen and click the **Copy from Lock to Loan** button, to ensure loan and lock data match.

5. Loan Officer > Updating Product/Profile, Extending and Cancelling Lock

I. Updating Product

- To update the product, go to the **Lock > Request** screen and select **Update Product** from the **Request Type** dropdown.

The screenshot shows the 'Request' screen with the following details:

- Production: Lock
- Request Date: 04/19/2021
- Request Type: Update Product (dropdown menu is open, showing options: Update Profile, Update Product, Extend, Cancel, Price Concession)
- Lock Confirmation Date: 04/19/2021
- Current Loan Data: Note Rate: 2.625%

- Next, click **OB Lock Request** at the bottom of the screen to submit the change request.

The screenshot shows the bottom navigation bar with the following buttons: Send to Lock Desk, Compare Lock History, Compare Lock Request, OB Lock Request (highlighted with a red arrow), Request History, Pricing, and Save.

- Select a price.

- Next, click the **OB Lock Desk** button.
- Then click the **Send to Lock Desk** button.

*Note: Depending on how your system is configured, the button could be named something else, such as **Request Lock** or **Lock Request**. But the underlying function is the same, which is to send a request from the **Lock > Request** screen to the **Lock > Confirm** screen (Lock Desk) to be accepted or rejected.*

II. Updating Profile

- To update the profile, go to the **Lock > Request** screen and select **Update Profile** from the **Request Type** dropdown.

2. Next, click the **OB Lock Request** button, to submit the request to update the profile.
3. In the opened lightboxes, select the price and then select the rate.
4. Then, click the **Send to Lock Desk** button to send the loan file to the Lock Desk.

*Note: Depending on how your system is configured, the button could be named something else, such as **Request Lock** or **Lock Request**. But the underlying function is the same, which is to send a request from the **Lock > Request** screen to the **Lock > Confirm** screen (Lock Desk) to be accepted or rejected.*

III. Extending Lock

1. To extend a lock, go to the **Lock > Request** screen and select **Extend** from the **Request Type** dropdown.

2. Select the length of the lock extension from the **Extension Period** dropdown.

3. Next, click the **OB Lock Request** button at the bottom of the screen to submit the lock extension request.
4. In the opened lightbox, click **Cost Calculation** and then click **Extension Request**.

	Current	Calculated
Calculated Lock Price	101.0650	101.065

5. In the prompt that opens, confirm the lock extension request.

OB Lock Request Warning

Lock Request is sent to Lock Desk.
Please send loan to Lock Desk for confirmation.

6. Next, click the **Send to Lock Desk** button on the bottom of the screen to send the loan to Lock Desk.

*Note: Depending on how your system is configured, the button could be named something else, such as **Request Lock** or **Lock Request**. But the underlying function is the same, which is to send a request from the **Lock > Request** screen to the **Lock > Confirm** screen (Lock Desk) to be accepted or rejected.*

*Note: The **Lock Status** will show **Lock Extension Requested** until the Lock Desk user accepts the lock extension request in Optimal Blue.*

7. If auto-accept is enabled for lock requests, after saving the **Lock > Request** screen, click the refresh icon () to update the **Lock Status** to **Lock Confirmed**.
 - A. If auto-accept is not enabled, click the **OB Lock Request** button, then click the **Send to Lock Desk** button to move the loan file to the Lock Desk to be confirmed.

IV. Canceling Lock

1. To cancel lock, go to the **Lock > Request** screen and select **Cancel** from the **Request Type** dropdown.

2. Select the **Cancel Reason**.
3. Next, click the **OB Lock Request** button on the bottom of the screen.

4. A prompt opens, informing you that the loan file needs to be sent to the Lock Desk to complete the cancel lock request. Confirm the prompt.

5. Click the Send to lock Desk button.

*Note: Depending on how your system is configured, the button could be named something else, such as **Request Lock** or **Lock Request**. But the underlying function is the same, which is to send a request from the **Lock > Request** screen to the **Lock > Confirm** screen (Lock Desk) to be accepted or rejected.*

6. Lock Desk > Updating Product/Profile, Extending/Canceling Lock

1. To accept a request to update the profile, product, and extension, go to the **Lock > Confirm** screen and click the **OB Lock Desk** button.

2. Once in Optimal Blue, go to the **Changes** tab.

The screenshot shows the 'Changes' menu in the top navigation bar, highlighted with a red arrow. Below the menu is a 'Queue Options' section with various filters and a table of loan requests.

6. Back in Path, if the request is accepted in Optimal Blue, click the refresh icon () and the **Save** button. The **lock Status** is updated.
 - A. If the request is rejected, select **Reject** from the **Confirmation** dropdown to send the loan file back to the loan officer.
7. After confirmation/rejection, go to the **Lock > Summary** screen and click the **Copy from Lock to Loan** button, to ensure loan and lock data match.

I. Canceling Request

1. To accept or reject lock cancelation requests, go to the **Lock < Confirm** screen and click the **OB Lock Desk** button.
2. Once in Optimal Blue, click the **Cancel Lock/Save to LOS** button.
3. Back in Path, click the refresh icon () and the **Save** button. The **lock Status** is updated.

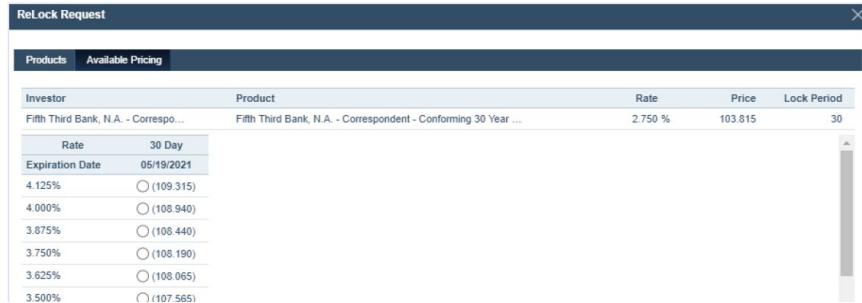

7. Loan Officer > Relocking a Canceled or Expired Lock

1. To relock a canceled or expired lock, go to the **Lock > Request** screen and select **Relock** from the **Request Type** dropdown.
2. Next, click the **OB Lock Request** button.

- In the opened lightbox, select a new rate.

- Next, select a price.

- If auto-accept is enabled, after the new pricing and rate are selected and saved, click the refresh icon (🔄) the status will update to **Lock Confirmed**.
- If auto-accept is not enabled, click the **OB Lock Request** button. A message appears, saying the loan still needs to be sent to the Lock Desk.
 - Click the **Send to Lock Desk** button to move the file to the Lock Desk Role to confirm.

*Note: Depending on how your system is configured, the button could be named something else, such as **Request Lock** or **Lock Request**. But the underlying function is the same, which is to send a request from the **Lock > Request** screen to the **Lock > Confirm** screen (Lock Desk) to be accepted or rejected.*

8. Lock Desk > Relocking a Canceled or Expired Lock

To accept or reject a request to relock a canceled or expired lock:

- Go to the **Lock > Confirm** screen and click the **OB Lock Desk** button.
- Once in Optimal Blue, select the **Change History** tab and click **View Details**.

- Next click **Accept** or **Reject**.

Optimal Blue > Pricing/Lock

2ndary > Lock Desk > Changes > Pipelines > Change Request Confirm > New Search > Admin > Branches >

Selected Loan: Loan ID: 1072 Status: Locked Borrower: Freddie

Liabilities > Copy to Another Borrower

This section is intended to walking Path users on how to copy the liabilities of one borrower to another borrower.

To move the liability to another borrower, ensure that the **Copy Liability to Another Borrower** button is enabled for your role by your system administrator.

1. Go to **Production > Borrower > Liabilities** section.
2. Select the tradeline to be copied and click **Copy Liability to Another Borrower**.

The screenshot shows the Path system interface for a borrower named Dorian Smith. The interface is divided into several sections: 'Liabilities', 'Credit Cards, Other Debts and Leases', 'Other Liabilities and Expenses', 'Real Estate Liabilities', and 'Property You Own'. The 'Liabilities' section displays a table with columns for Type, Creditor, Account Number, Unpaid Balance, Monthly Payment, Months Remaining, PAC, and Omit. The 'Copy Liability to Another Borrower' modal is open, showing a selection of 'JANE SMITH' as the recipient borrower. A 'Copy' button is visible in the modal. Red circles and boxes highlight the 'Installment Loan' checkbox, the 'Copy Liability to Another Borrower' button, the 'Copy' button in the modal, and the 'Copy Liability to Another Borrower' button in the main interface.

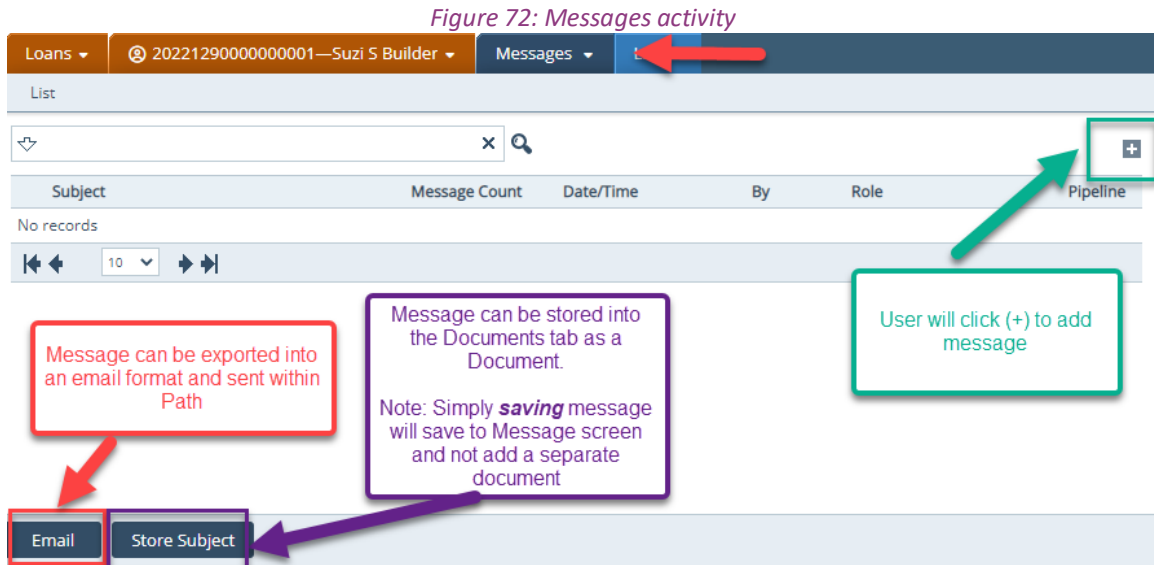

3. Select the borrower to whom the liability will go.
4. Click on the **Copy** button.

Note: The loan file needs to have two or more borrowers in order for the liability to be successfully moved to another borrower.

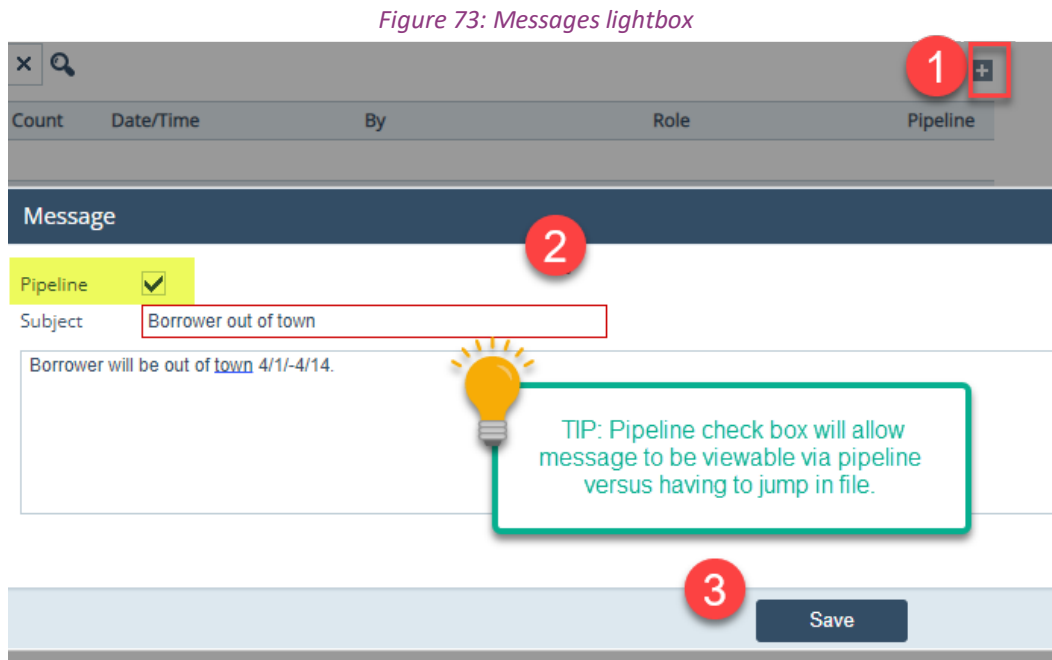

Messages

The **Messages** activity can be used as a conversation log by users, with the option of having important subjects/messages viewable from the **Pipeline** for easy access.

1. Open a loan and select the **Messages** activity.

2. Click the add icon (+) to open the **Message** lightbox.

3. Enter the **Subject** and body of the message.

Messages

- For the subject to be viewable in the **Pipeline**, select the **Pipeline** checkbox.
- Click **Save**.
The message is saved to the **History** section.

Figure 74: Messages lightbox > add more messages

The screenshot shows a 'Message' lightbox with a 'Pipeline' checkbox checked and a 'Subject' field containing 'Cash to Close'. A lightbulb icon is next to a callout box that reads: 'User can add multiple messages to One specific subject to create a thread that is easy to follow versus several subjects as individual messages. User will click on existing subject and add new message. This will increase **Message Count** in main view.'

Below the form is a 'History' section with a table:

Message	Date/Time	By	Role
<input type="checkbox"/> borrower ok with 30k ctc	04/18/2023 11:33:33 AM	Haracely Dominguez	Loan Officer
<input type="checkbox"/> Borrower bringing \$25k Cash to close	03/28/2023 2:00:59 PM	Haracely Dominguez	Loan Officer

At the bottom of the lightbox are 'Save' and 'Store Message' buttons.

- To add more messages to the subject, enter the body of the message and click **Save**.

To store a individual message to the **Documents** activity, select the checkbox of the message and click **Store Message**.

All messages are stored in the **Messages** activity.

The screenshot shows a 'List' view of messages. A search bar is at the top. The table below has columns for Subject, Message Count, Date/Time, By, Role, and Pipeline. The 'Message Count' column is highlighted with a green box.

Subject	Message Count	Date/Time	By	Role	Pipeline
<input type="checkbox"/> Cash to Close	2	04/18/2023 11:33:33 AM	Haracely Dominguez	Loan Officer	<input checked="" type="checkbox"/>
<input type="checkbox"/> Borrower out of town	2	04/17/2023 1:03:43 PM	Haracely Dominguez	Loan Officer	<input checked="" type="checkbox"/>

Figure 77: Subject/message in detail

The screenshot displays a software interface for loan management. At the top, there are navigation tabs: 'Loans', 'Pipeline', and 'Desk'. Below these are sub-tabs for 'Desk', 'Cabinet', 'Role Desk', 'Role Cabinet', 'Active', 'Archive', 'Inactive', 'Role Desk<Process...', and 'Role Desk<Path - AI...'. A search bar is located below the sub-tabs. The main content area is divided into two sections. The left section is a table titled 'Production (6)' with columns: 'LO Name', 'Loan Number', 'Borrower', 'Subject Property', 'Loan Status', and 'Loan Amount'. The right section is titled 'Current Messages per Thread' and shows two message threads. The first thread has a subject 'Cash to Close' and a message 'Borrower bringing \$25k Cash to close'. The second thread has a subject 'Borrower out of town' and a message 'Borrower will be out of town 4/1/-4/14'.

<input type="checkbox"/> Haracely Dominguez	20221250000000013				

Current Messages per Thread

Subject: Cash to Close
Borrower bringing \$25k Cash to close

Subject: Borrower out of town
Borrower will be out of town 4/1/-4/14.

Documents

All borrower documentation is stored in the **Documents** activity. See the figures below.

Figure 78: Documents activity basics

Section A:
List: View of all Documents in file
Pending: Borrower uploaded docs via Portal pending review
Deleted: Folder containing deleted documents

Section B:
Add from Computer: Ability to upload documents from Computer
Add from Library: Add documentation/forms populated within Path
File Drop Zone: Drag and drop documentation from computer

Section C:
 User ability to request documentation from borrower within Path

Section D:
 Creating bundles of specific documents and labeling Package (income, disclosures, assets, etc)

When a document is selected, more button options will become available.

Figure 79: Select a document to enable more button options

Section B: + File Drop Zone (Add from Computer)

Document	Borrower	Category	Type	Description	By	Status	Status Date & Time	Up
<input checked="" type="checkbox"/>	VOE	Form	VOE		Haracely Dominguez	Signature Request Pending	04/26/2023 11:21:16 AM	04/

Section C: Merge

Section D: Review, View, Download, Email, Edit, eSign

Merge: Selecting multiple docs and combining into one
Review: This will change the Status column from uploaded, added from library, etc to Reviewed
View: Open selected document
Download: Save to computer
Email: Directly email documents/ forms within Path
Edit: Opens document with ability to edit name, category type, description, etc
Esign: Send documentation requiring Esignature directly to borrower

1. Document Package

By selecting multiple documents to be packaged into separate folders, the user will see all packages on the left side orange banner labeled **PACKAGES**.

To package documents together, select their checkboxes and click **Add Package**.

The top screenshot shows a document management interface with a sidebar on the left labeled 'PACKAGES'. The main area displays a table of documents with columns: Document, Borrower, Category, Type, Description, By, and Status. A red arrow points to the 'PACKAGES' sidebar.

Document	Borrower	Category	Type	Description	By	Status
<input type="checkbox"/> VOE		Form	VOE		Haracely Dominguez	Signature Reque Pending

The bottom screenshot shows the same interface with a sidebar on the left labeled 'All Documents' and 'Document Package(s)'. The 'Document Package(s)' section is highlighted in orange and contains 'Income Docs' and 'Disclosures', each with a copy and delete icon. A red arrow points to the 'Add Package' icon (a plus sign in a square) next to the 'Document Package(s)' header.

Changing Title Company Name

- Review the displayed information and click **Save**.

The company name has changed to the selected title company.

The screenshot shows a loan cost summary page. At the top, there are navigation tabs: Production, Lock, Compliance, Conditions, Documents, Checklist, Interfaces, and Messages. Below these are sub-tabs: Send/Status, Summary, Borrower, Property, Product & Pricing, Transactions, Closing Costs, Profile, Contacts, and Loan Transmittal. The main content area is titled 'Fees' and contains a table of various fees. Below this is section 'C. Services Borrower Can Shop For', which is a table with columns: Charge, Paid To, Company, Paid By, APR, POC, and Amount. A red box labeled '1' highlights the 'Company' column, which lists 'Kerrville Title Company' for multiple charges. At the bottom of the page, there is a section 'D. Total Loan Costs (A + B + C)' with a total of \$ 5,112.10. A red box labeled '2' highlights the 'Save' button in the bottom navigation bar, which also includes 'Restore Fees', 'Compare Fees', 'Change Contact', 'Delete', and 'Form Library'.

- If a title company is not found through the above steps, you can add it to the loan via **Production > Contacts > Loan Contacts**.

The screenshot shows the 'Loan Contacts' form. At the top, there are navigation tabs: Production, Lock, Compliance, Conditions, Documents, Checklist, Interfaces, and Messages. Below these are sub-tabs: Send/Status, Summary, Borrower, Property, Product & Pricing, Transactions, Closing Costs, Profile, Contacts, and Loan Transmittal. The 'Contacts' tab is selected. The form is titled 'Loan Contacts' and contains a 'Comment' field. Below this are two main sections: 'Title Company' and 'Settlement Agent'. Each section has a 'Same as Title Information' checkbox and several input fields for Company, Branch Name, Branch Number, Address, Unit Type, Unit Number, City, State, ZIP, Phone, Fax, Email, Company License, License Authority, Authority URL, Contact, Contact Phone, Contact License, Order Number, and Escrow Number. A red box labeled '1' highlights the 'Contacts' tab. A red box labeled '2' highlights the 'Title Company' form fields. A red box labeled '3' highlights the 'Save' button in the bottom navigation bar, which also includes 'Delete', 'Change Loan Originator', and 'Template'.

Changing Title Company Name

*Note: Adding a title company (or any entity) to your organization's contact list requires your system administrator to add it via **Settings > Contacts**. After it has been added to **Settings > Contacts**, you will be able to search for and find it via the above steps.*

Issuing an LE

To issue a loan estimate:

1. Go to **Compliance > Closing Costs > Loan Estimate** tab.

The screenshot shows the 'Compliance' tab with the 'Closing Costs' sub-tab selected. The 'Loan Estimate' sub-tab is also active. The form includes fields for Application Date (01/04/2023), Date Issued, Closing Costs Expire, and Lock Expire. A 'Delivery Method' dropdown menu is highlighted. Below these are sections for 'Intent to Proceed', 'Change of Circumstance', and 'Loan Terms'.

Loan Amount	Interest Rate	Term	Monthly Principal & Interest	Can Increase?	Adjusts Every	As High As	Starting In	Until
\$ 144,993.00	3.250 %	30 years	\$ 631.02	No		\$	In	

2. If not already completed, enter the **Application Date**, **Date Issued**, the date when **Closing Costs Expire**, and select the **Delivery Method**.

The screenshot shows the 'Closing Costs Details' section. A green callout box with a lightbulb icon contains the text: "Best Practice: Review all closing costs to ensure accuracy. Utilize 'View Form' to View LE before issuing." Below this is a table of costs and a 'Calculating Cash to Close' summary.

Category	Amount

3. Sending a Revised LE

1. Revise any applicable changes and proceed through the same steps as issuing an LE.

Issuing a CD

To issue a closing disclosure:

1. Go to **Compliance > Closing Costs > Closing Disclosure** tab

The screenshot shows the 'Closing Disclosure' tab in a software interface. At the top, there are navigation tabs: 'Loans', '2023014000000002—Alice America', 'Compliance', and 'Closing Costs'. Below these are sub-tabs: 'Fees', 'Summary', 'Loan Estimate', 'Service Provider', 'Closing Disclosure', 'Summaries of Transaction', and 'Payoffs/P'. The 'Closing Disclosure' sub-tab is active. The form contains several input fields: 'Application Date' (01/04/2023), 'LE Date Issued' (01/26/2023), 'Date Issued', 'Closing Date', 'Disbursement Date', 'Delivery Method' (a dropdown menu), and 'Date Received'. A red box highlights the 'Date Issued', 'Closing Date', and 'Disbursement Date' fields. Another red box highlights the 'Delivery Method' dropdown. Below the form is a section for 'Revised Closing Disclosure' with fields for 'Date', 'Reason', and 'Notes'.

2. If not already completed, enter the **Date Issued, Closing Date, Disbursement Date**, and select the **Delivery Method**.

This screenshot shows a more complete view of the 'Closing Disclosure' form. The 'Date Issued' is 01/23/2023, 'Closing Date' is 01/26/2023, and 'Disbursement Date' is empty. The 'Delivery Method' is set to 'Internet or Email'. A green callout bubble with a lightbulb icon says: 'Best Practice: Review all closing costs to ensure accuracy. Utilize "View Form" to View LE before issuing.' Below the form is the 'Loan Terms' section, which includes a table of loan details and a 'Projected Payments' table.

1. Sending a Revised CD

1. Revise any applicable changes and proceed through the same steps as issuing a CD.

Wire Calculation Steps

To calculate the wire amount:

1. Open a loan and go to **Production > Closing information > Wire.**

The screenshot shows the 'Wire' section of a loan management system. The navigation bar includes 'Production' (1), 'Lock', 'Compliance', 'Documents', 'Interfaces', and 'Messages' (2). The sub-navigation bar includes 'Send/Status', 'Summary', 'Application', 'Borrower', 'Closing Costs', 'URLA', 'Property' (3), 'Product & Pricing', 'Transactions', and 'Closing Information'. The main content area is divided into 'Settlement Agent' and 'Bank' sections. The 'Settlement Agent' section contains fields for Company, Address, City, State, Country, Phone, Email, Contact, and Escrow Number. The 'Bank' section contains fields for Company, Address, City, State, Country, Credit To, ABA Number, Account Number, and Reference Number. A red callout bubble points to the 'Bank' and 'Further Credit to Bank' sections with the text 'Important: Fields must be filled in.' The 'Further Credit to Bank' section contains fields for Company, Address, City, State, Country, Further Credit To, ABA Number, and Account Number.

2. Complete the **Bank** and **Further Credit to Bank** sections.
3. To deduct fees from the **Wire Calculation**, select of the **Deduction** table.

The screenshot shows the 'Wire Calculation' section. The 'Deduction' table header has a dropdown icon (three vertical lines) and a plus sign. Below the table, there is a summary table with the following data:

Total Loan Amount	\$ 282,292.00	Date Requested	
Draw Amount	\$	Funds Requested By	
Total Deductions from Wire	\$ 0.00	Amount Requested	
Total Additions to Wire	\$ 0.00		
Net Wire Amount	\$ 282,292.00		

The **Fees Deduction** lightbox appears.

Closer Workflow

This section is intended to help closers by walking them through the most common tasks in a typical closer workflow.

1. Open a ready-to-be-closed loan and go to **Production > Closing Information** screen.
2. Complete and review all applicable closing information, which are organized in the **General, Legal, Fees, Insurance & Escrows, Summaries of Trans., and Closing Disclosure** tabs.

General Closing Information

Closing Date: 03/14/2023
 Funding Date: 03/14/2023
 Signing Date: 03/14/2023
 Disbursement Date: 03/14/2023

Note Date: 03/14/2023
 First Payment Date: 05/01/2023
 Recording Date:
 Rescission Date:

Closing Time: 12:00PM
 Closing Trustee:
 Escrow Holdback:

Borrower: JOHN CLOSING

First Name: JOHN
 Middle Name:
 Last Name: CLOSING
 Suffix:

Marital Status: Unmarried(Single, Divorce...)

To access the Closing Information Tab click on the drop down arrow and select the Closing Information and it will allow you to complete the required tabs for closing. The required tabs for closing are (General, Legal, Fees, Insurance & Escrow, Summaries of Trans., Closing Disclosure)

1. Closing Information > General Tab

1. In the **General** tab, as the closer, enter general closing information, the most important of which involves the closing and funding dates to print on the closing documents.

Closer Workflow

Note: The closer is responsible for reviewing the data entered by loan officer, processors, and underwriters.

2. Review the borrower's Information.
3. Review the borrower's alternate names, which should have come from the credit report. To add additional alternate names, click the corresponding add icon (+).

Note: If a POA is being used for closing, make sure the names match the POA.

Closer Workflow

- To add the grantee's name, click **+** corresponding the **Power of Attorney** section.

Power of Attorney

Borrower: JOHN CLOSING
Grantee: JOHN MORTGAGE
Address: _____
Unit Type: _____
Unit Number: _____
City: _____
State: _____ ZIP: _____
County: _____
Phone: _____

Save

If a POA is being used make sure the names match the POA. The borrower's name should carry over and you will just need to type in the Grantee's Name

NOTE: If a trust is being used on the loan. The processor should enter the trust information in **Production > Property > Title and Legal > Trust Information**.

Title and Legal

Current Title Holder(s): MARK CUBAN
Future Title Holder(s): JOHN CLOSING as Trustees, of The Closing Family Trust, Dated 08/21/2018

Save

Processor to select the Trust Information based off the Trust or Title Commitment.

Closer Workflow

5. If a trust is being used to close a loan. The closer should enter the trust information under the **Trust** section, by clicking the corresponding **+**.

The screenshot displays a software interface for loan closing. At the top, there are tabs for 'Loans', '2023D49000000001--JOHN CLOSING', 'Production', and 'Closing Information'. Below these are various sections: 'General', 'Legal', 'Fees', 'Insurance & Escrows', 'Summaries of Trans.', 'Closing Disclosure', 'Wire', and 'Verify Employment'. The 'Trust' section is highlighted with a red box and contains a '+' icon. A modal window titled 'Primary' is open, showing a dropdown menu for 'Type' with the following options: Revocable, Irrevocable, Family, Generation-Skipping, Qualified Personal Residence, Irrevocable Life Insurance, and Qualified terminable interest property. A red arrow points from a text box to the dropdown menu. The text box contains the instruction: 'When a TRUST is being used the closer must select the Trust Type on the Primary Field.' Below the dropdown menu is a 'Save' button. The background shows sections for 'Secondary', 'Trustee', 'Grantor', and 'Beneficiary', each with a '+' icon and a 'No records' message. At the bottom, there is a 'Closing Lender' section with fields for 'Company', 'Servicer', and 'Subservicer', and a 'Save' button.

6. The primary trust requires an option selected from the **Type** dropdown.
7. Review the **Trust** section, and if needed enter the names of the **Trustee, Grantor, and Beneficiary.**

Closer Workflow

Note: The names of all required fields must match for the trust verbiage to be added to the signature line of the required closing documents.

Trust

Primary		Type	Name	State	Date Established
<input type="checkbox"/>	Family		Closing Family Trust, Dated 8/21/2023	TX	08/21/2023

3. In the **Title Endorsements**, **Special Instructions**, **Tax Messages**, and **Document Requirements** sections, click the corresponding add icon (+) to add required items to each of the corresponding sections.

Closer Workflow

The screenshot shows the 'Closing Information' section of a software application. The 'Legal' tab is highlighted with a red box. Below the tabs, there are sections for Title Endorsements, Special Instructions, Payoffs, Tax Messages, and Document Requirements. Each section has a '+' icon in the top right corner.

For example: Once the **Title Endorsements** section's **+** is selected, the corresponding light box opens for you to enter the required title endorsement.

The screenshot shows the 'Title Endorsement' light box. A red arrow points from the '+' icon in the previous screenshot to the '+' icon in the light box. Another red arrow points from the light box to a text box that says 'You have several Title Endorsements to choose from the drop down list'.

4. Once you have finished entering the required items in each section, click **Save** and go to **Closing Information > Fees** tab.

3. Closing Information > Fees Tab

1. As the closer, review, add, adjust, or delete any fees in **Closing Information > Fees** tab.

The screenshot displays the 'Closing Information > Fees' tab. The 'Fees' tab is highlighted in the navigation bar. Below the navigation bar, there are several sections:

- G. Initial Escrow Payment at Closing**: A table with columns: Charge, Paid To, Company, Paid By, APR, POC, Amount. Total: \$ 225.00.
- H. Other**: A table with columns: Charge, Paid To, Company, Paid By, APR, POC, Amount. Total: \$ 30,000.00. A red callout box points to this section with the text: "Section H. Other is where the closer will add the Real Estate Commission and add or adjust any fees based of fees from title".
- I. Total Other Costs (E + F + G + H)**: Total: \$ 33,804.72.
- J. Total Closing Costs**: Total: \$ 43,586.72.
- L. Lender Credits (Cost to Cure \$0.00)**: \$ 0.00.

At the bottom, there is a 'LE/CD Status History' section with buttons: Save, Delete, Restore Fees, Compare Fees, Change Contact.

2. In each section, click the corresponding add icon (+) to add a fee.
 - A. To adjust a fee, click its row to open its lightbox and edit the applicable fields.
 - B. To delete a fee (with an enabled checkbox), select its checkbox and click **Delete**. Fees with disabled checkboxes (greyed out), cannot be deleted, but they can be modified.
3. In the **H. Other** section, add real estate commissions and adjust any fees based on fees from the title.
4. After adding and adjusting all applicable fees, click Save and go to **Closing Information > Insurance & Escrows** tab.

4. Closing Information > Insurance & Escrows Tab

1. As the closer, in the **Insurance** and **Flood** sections, review the hazard insurance policy and flood information, coming from the processor.

- After completing the Insurance & Escrows tab, click Save and go to Closing Information > Summaries of Trans. tab.

5. Closing Information > Summaries of Trans. Tab

- As the closer, the **Summaries of Trans.** tab is where you review or edit any adjustments, credits, or payoffs to be added to the Closing Disclosure and URLA.

Adjustments for Items Unpaid by Seller

Item	Description	Amount
12	City/Town Taxes	\$
13	County Taxes	\$
14	Assessments	\$
15		\$
16		\$
17		\$
L. Paid Already by or on Behalf of Borrower at Closing		\$ 402,500.00
Calculation		
Total Due from Borrower at Closing (K)		\$ 513,586.72
Total Paid Already by or on Behalf of Borrower at Closing (L)		\$ 402,500.00
Cash to Close		\$ 111,086.72

Item	Description	Amount
14	City/Town Taxes	\$
15	County Taxes	\$
16	Assessments	\$
17		\$
18		\$
19		\$
N. Due from Seller at Closing		\$ 30,000.00
Calculation		
Total Due to Seller at Closing (M)		\$ 500,000.00
Total Due from Seller at Closing (N)		\$ 30,000.00
Cash from/to Seller		\$ 470,000.00

Note: After all adjustments and credits are listed on the Summaries of Trans. Confirm the Cash to Close will match the URLA Application.

- Any changes made to the **Summaries of Trans.** must also be updated on the URLA. To do this, go to **Production > Closing Costs > Summaries of Transactions > Sync with Application** button.

*Note: If the **Cash to Close** does not match the Closing Disclosure and URLA, it could be the **Sync with Application** button was not clicked.*

- As the closer, confirm the **Cash to Close** on the Closing Disclosure and URLA match, by going to **Transactions** screen > **Cash from/to Borrower** field.

PRIVACY ACT INFORMATION: The VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 5, Code of Federal Regulations 1.526 for routine uses as (i.e., the record of an individual who is covered by this system may be disclosed to a member of Congress or staff person acting for the member when the request is made on behalf of the individual) identified in the VA system of records, 55VA26, Loan Guaranty Home, Condominium and Manufactured Home Loan Applicant Records, Specially Adapted Housing Applicant Records, and Vendee Loan Applicant Records - VA, published in the Federal Register. Your obligation to respond is required in order to determine the veteran's qualifications for the loan.

RESPONDENT BURDEN: This information is needed to help determine a veteran's qualifications for a VA guaranteed loan. Title 38, USC, section 3710 authorizes collection of this information. We estimate that you will need an average of 30 minutes to review the instructions, find the information, and complete this form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at: www.reginfo.gov/public/do/PRAMain. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.

6. Mortgage Insurance

After completing the **Product & Pricing** screen, the loan officer moves to the **Mortgage Insurance** screen to order mortgage insurance.

Interfaces

1. Go to **Interfaces > Mortgage Insurance** screen.

Figure 104: Interfaces > Mortgage Insurance

The screenshot shows the 'Mortgage Insurance' screen in the 'Interfaces' section. The breadcrumb navigation is 'Loans > 2022125000000013—Ken Customer, JR > Interfaces > Mortgage Insurance'. The 'Mortgage Insurance' tab is highlighted. The form contains several dropdown menus and checkboxes. A red arrow points to the 'Mortgage Insurance' tab. A red box highlights the 'MI Provider' dropdown (set to 'Arch MI') and the 'Request Type' dropdown (set to 'Single Product Rate ...'). Another red box highlights the 'Premium Plan' (Monthly), 'Renewal Type' (Declining), 'MI Coverage' (25%), and 'Paid By' (Borrower) dropdowns. A third red box highlights the 'MI Program' field. A yellow warning icon is next to the 'Message to MI' field. A red box with a warning icon contains the text: 'IMPORTANT: Ordering MI through Path will issue a MI Certificate and NOT a MI quote'. A red box at the bottom left contains the text: 'User will select vendor from the dropdown along with all other required dropdowns highlighted.'

2. Select the **MI Provider, Request Type, Premium Plan, Renewal Type, MI Coverage, and Paid By.**
3. Click **Order** and follow the prompts from the lightbox.

Figure 105: Order button opens lightbox

The screenshot shows the 'Mortgage Insurance' screen with the 'Order' button highlighted. A lightbox titled 'Arch MI Login' is open, displaying fields for Username, Password, Master Policy Number, Account ID, Branch ID, and a 'Save Password' checkbox. A 'Log In' button is at the bottom of the lightbox. Red arrows point from the 'Order' button to the lightbox and from the 'MI Program' field to the lightbox. The background form shows the same dropdowns as in Figure 104.

After completing the prompts, the MI Certificate will automatically populate into Path along with **Quick View**, as shown below in [Figure 106: MI certificate](#).

Transcript Type Breakdown:

Line 6a. Return Transcript includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-H, Form 1120-L, and Form 1120-S. Return transcripts are available for the current year and returns processed during the prior 3 processing years.

Line 6b. Account Transcript contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns.

Line 6c. Record of Account provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years.

Interfaces

4. For the business 4506-C request:
 - A. Check the **Legal Entity** box.
 - B. Enter the **Last Name/BMF Company Name**.
 - C. Enter the **Tax ID** and **Title**.
 - D. Enter the **Current Address**.

Callouts:

1. Clicking Legal Entity box will ensure 4506-C form populates Company name versus Borrower first/last name.
2. Name of Business as listed on tax return
3. Tax ID = Business EIN on tax return
4. Title = Next to signature line on tax return
5. Business address listed on Business return

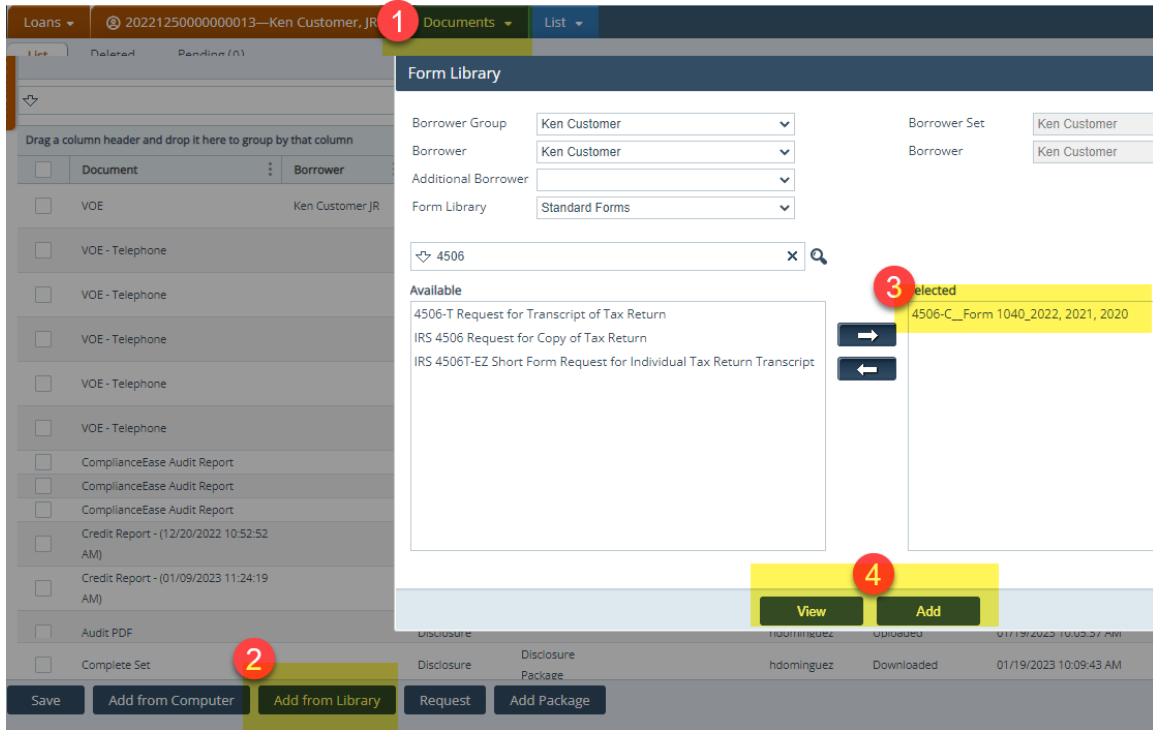

I. Generating the 4506-C Form

To generate the 4506-C form, which can be printed, emailed, and/or eSigned from within Path:

1. Open a loan and select the **Documents** activity.
2. Click the **Add from Library** button, to open the **From Library** lightbox.

Interfaces

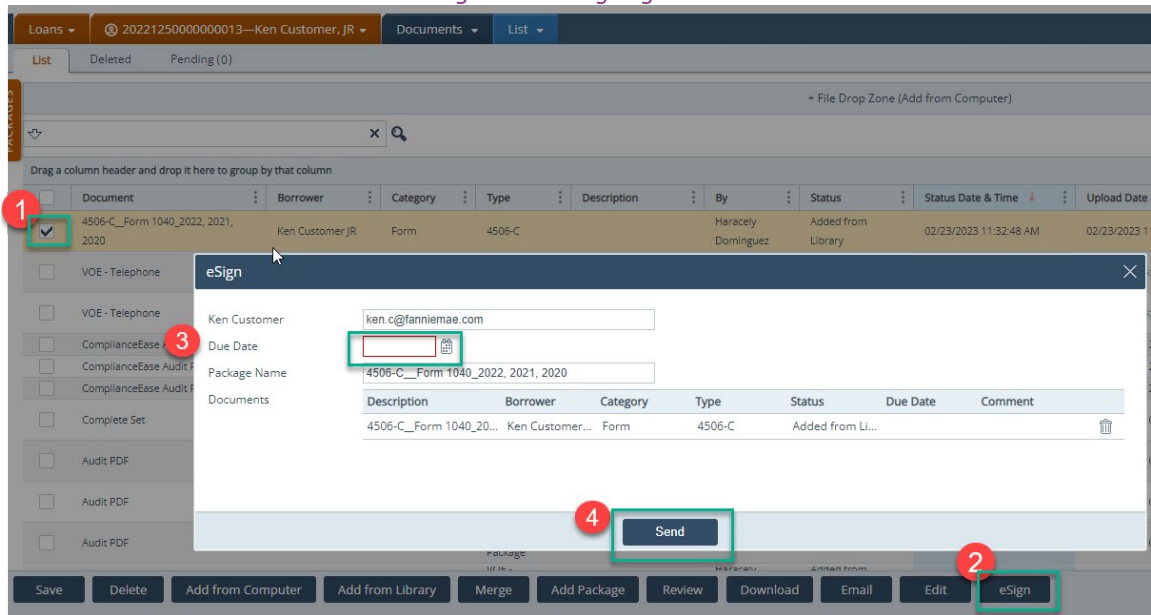

Figure 113: Form Library lightbox

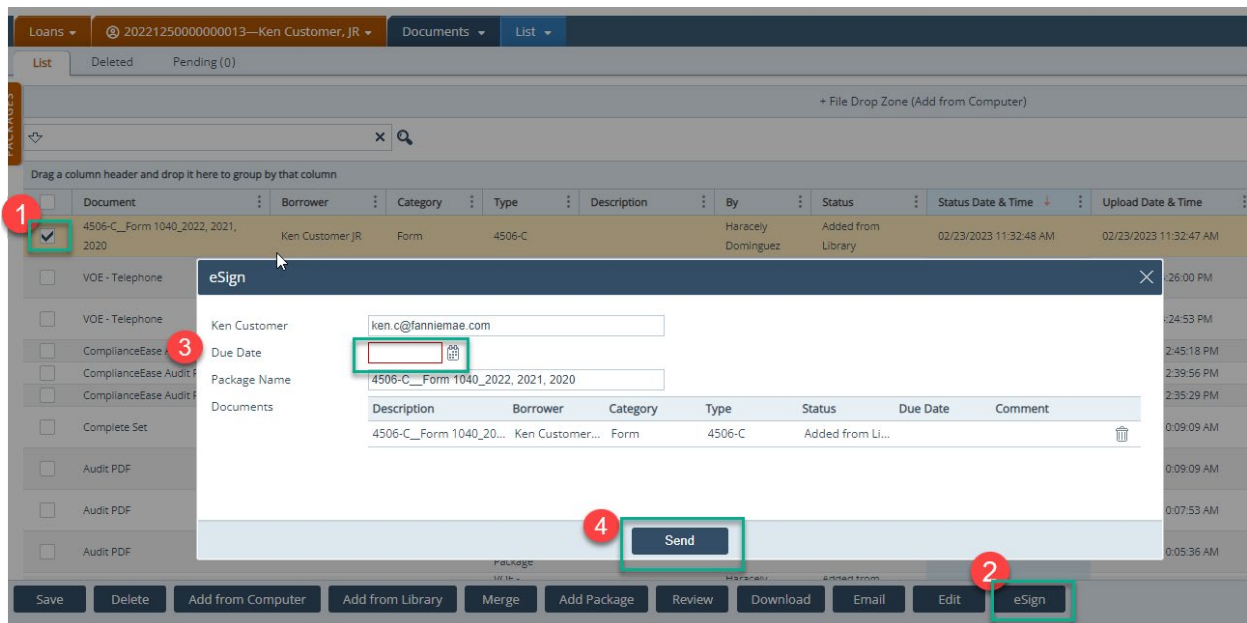

3. Enter 4506-C into the search bar and click the search icon (🔍) or hit Enter on your keyboard.
4. Select the 4506-C from in the **Available** field and click the right arrow to move it to the **Selected** field.
5. Click **Add**.
6. After it the 4506-C form is added, to send it for eSign, select its checkbox and click **eSign**, to open the **eSign** lightbox.

Interfaces

Figure 114: eSign lightbox

7. Enter the **Due Date** and click **Send**.

After the borrower has signed the 4506-C form, the user can order the tax transcripts from within Path, if the lender has selected a vendor that is integrated with Path.

8. Go to **Interfaces > Verifications**. Then select through the applicable dropdown menus and click **Order** to open the **Request Tax Transcripts** lightbox.

Interfaces

9. Complete all applicable fields, attach the 4506-C form, and click **Submit**.

9. VOR, VOM, and WVOE/VOE Requests

The following will identify where to select each request type on the **Borrowers** screen, to create the verification form and to store the verification in the **Documents** activity.

I. Verification Requests from Borrower Screen

A. VOR Request

1. Go to **Production > Borrowers > Address** section.

Interfaces

Figure 115: VOR request

The screenshot shows a web interface for a VOR request. At the top, there are navigation tabs: Loans, 2022125000000013—Ken Customer, JR, Production, Borrower, and a menu icon. Below these are sub-tabs: Send/Status, Summary, Application, Borrower, Closing Costs, URLA, Property, Product & Pricing, and Transaction. The main section is titled "Address" with a dropdown for "Match Address of Borrower".

There are three columns of address information:

- Current Address:** Address: 10655 Birch St, Unit Type: [dropdown], Unit Number: [input], City: Burbank, State: CA, ZIP: 91502, County: LOS ANGELES, Country: United States, Years at Address: 7, Months at Address: 3, Own/Rent: Rent (highlighted with a red box), Monthly Rent: \$ 3,500.00, Borrower Lives in a Community Property State: [checkbox].
- Mailing Address:** Address: 10655 Birch St, Unit Type: [dropdown], Unit Number: [input], City: Burbank, State: CA, ZIP: 91502, Country: United States. A checkbox "Same as Current Address" is checked.
- Previous Address:** Address: 123 main, Unit Type: [input], Unit Number: [input], City: Burbank, State: CA, Country: United States, Years at Address: [input] Mo, Own/Rent: [input], Monthly Rent: \$, Tax Return Address: [checkbox]. A "+ Add Previous Address" button is at the bottom.

At the bottom, there are buttons: Save, Delete, Main Contact, Swap Borrowers, VOA Invite, Convert to URLA, and Copy Liability to Another Borrower.

2. Click the edit icon () of **Own/Rent** to open the **Verification – Current Address** lightbox.

Figure 116: Verification - Current Address lightbox

The screenshot shows the "Verification - Current Address" lightbox. It has a title bar with a close button (X). The form contains the following fields:

- Attention: [input]
- Name: [input]
- Address: [input]
- Unit Type: [dropdown]
- Unit Number: [input]
- City: [input]
- State: [dropdown], ZIP: [input]
- Phone: [input]
- Email: [input]
- Information to Verify: [dropdown]
- Account Number: [input]
- Include Coborrower: [checkbox]
- Request Verification: [checkbox] (highlighted with a red box)

At the bottom, there is a "Save" button (highlighted with a red box). A green callout box with a white background and a green border contains the following text:

User will input Landlord/Building information that will populate onto VOR form to be completed.

User will then select check box to Request Verification

Interfaces

3. Select the **Request Verification** checkbox.
4. Complete the rest of the applicable fields and click **Save**.

B. VOM Request

1. Go to **Production > Borrowers > Liabilities > Real Estate Liabilities** table.
2. Click the row of the liability to open its lightbox.

Figure 117: Real Estate Liabilities lightbox

The screenshot shows the 'Real Estate Liabilities' lightbox with the following fields and values:

- Type: Mortgage
- Creditor: NORTHPTBK
- Address: (empty)
- Unit Type: (empty)
- Unit Number: (empty)
- City: (empty)
- State: (dropdown)
- ZIP: (empty)
- Account Number: 5000373323
- Monthly Payment: \$ 782.00
- Months Remaining: 205
- Unpaid Balance: \$ 160,615.00
- Pay at Closing: Not Paid from Loan Amount
- Omit:
- REO Asset: (dropdown)
- Lien Position: (dropdown)
- Resubordinate:
